- b. Letter of Permission (LoP) dated 11-08-2026.**

Dear Sir/Madam

WHEREAS, Online Application/Scheme No. **NMC/UGI/2026-2027/0069** was submitted to the Medical Assessment and Rating Board (MARB), National Medical Commission (NMC), seeking **increase in annual intake of 100 MBBS seats (from 150 to 250) in Lord Buddha Koshi Medical College & Hospital, Saharsa (Bihar)** for the Academic Year 2026-27;

2. WHEREAS, Section 28(2) of the National Medical Commission Act, 2019 mandates that every applicant shall submit a scheme to the Medical Assessment and Rating Board in such form and containing such particulars as may be prescribed under the relevant regulations. Further, the proviso to Regulation 9 of the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023 provides that an incomplete application, including one not accompanied by the mandatory documents prescribed under the Regulations, is liable to be rejected.

3. WHEREAS, Section 29 of the National Medical Commission Act, 2019 read with Regulation 11 of the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023, requires the Medical Assessment and Rating Board, while considering a scheme under Section 28, to assess, inter alia, the adequacy of financial resources, availability of academic faculty, hospital facilities, infrastructure, and such

other prescribed criteria necessary for the proper functioning of the medical college;

4. WHEREAS, the Public Notice dated 22.12.2025 inviting applications for the Academic Year 2026-27 specifically stipulates that:

"The regulatory framework does not contemplate a 'work-in-progress' status at the time of application; rather, it obligates readiness and demonstrable compliance ab initio. Therefore, any plea of being in the process of completing infrastructure or requesting additional time defeats the very objective of the scheme under the Act and Regulations and is wholly impermissible."

5. WHEREAS, upon scrutiny of the application under Section 29 of the National Medical Commission Act, 2019, read with Regulations 11 and 12 of the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023 and the Public Notice dated 22.12.2025, the following deficiencies were observed and communicated to the applicant through **Show Cause Notice dated 05.06.2026**:

6. WHEREAS, the applicant institution was afforded an opportunity under Section 28(3) of the National Medical Commission Act, 2019, read with Regulation 13 of the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023, vide **Show Cause Notice dated 05.06.2026**, to rectify the aforesaid deficiencies and submit a compliance report within seven (07) working days;

7. Whereas, the applicant institution submitted its compliance report on **15.06.2026** along with the documents furnished in support of its response to the Show Cause Notice. The compliance submitted by the applicant was duly examined by the Medical Assessment and Rating Board (MARB).

8. WHEREAS, Section 28(7) of the National Medical Commission Act, 2019 empowers the Medical Assessment and Rating Board (MARB) to conduct the evaluation and assessment/inspection of any medical institution at any time, either directly or through experts having integrity and experience in the medical profession, **without any prior notice**. Accordingly, MARB conducted an inspection of the institution through duly appointed assessors, and the assessment report submitted by the assessors was examined by the Expert Committee constituted by MARB before making its recommendations.

9. WHEREAS, the Medical Assessment and Rating Board Expert Committee examined the application, AEBAS data and other relevant records in accordance with the National Medical Commission Act, 2019, the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023, the

Undergraduate Medical Education Standards Regulations (UGMSR), 2023 and the Public Notice dated 22.12.2025, and observed the following major deficiencies

S. No.	Deficiencies (based on the comments of the expert committee)
1	i. Total registered faculty is 204 ii. the faculty having AEBAS attendance of atleast 75% is 160 faculty against the requirement of 168 iii. Eligible faculty deficiency department wise (more than 75% attendance)-anatomy (01 associate 01 assistant), anaesthesiology 01 associate), community medicine(02 assistant), dentistry(01 professor). dermatology (01 professor), FMT(02 associate 04 assistant), genera medicine (02 associate), OBG (01 associate 01 assistant) pharmacology (01associate), physiology (05 assistant)-23 (13.69%) faculty deficiency. iv. 10. WHEREAS, after due consideration of the application, the assessment report, the recommendations of the Expert Committee, and the observations recorded above, the Medical Assessment and Rating Board (MARB), in exercise of the powers conferred under Section 28(3) of the National Medical Commission Act, 2019, 2019, **hereby grants permission for increase of annual intake of 50 MBBS seats from 150 seats to 200 seats to "Lord Buddha Koshi Medical College & Hospital", Saharsa, Bihar for the Academic Year 2026-27, subject to the provisions of the National Medical Commission Act, 2019.**

11. WHEREAS, the First Appeal Committee, examination of the entire material placed on record, including the HIMS/clinical workload data, hospital infrastructure and facilities, and AEBAS attendance data for the periods 01.04.2025 to 31.03.2026, 01.04.2026 to 30.06.2026 and 01.07.2026 to 20.08.2026, finds that the Appellant has demonstrated substantial compliance with the applicable requirements. The Committee has particularly taken note of the updated AEBAS position for the period 01.07.2026 to 20.08.2026, wherein out of total 212 faculty members, 201 have attendance of 75% or more against the requirement of 168 faculty members for 250 MBBS seats under the UGMSR, 2023. The hospital and clinical data and other facilities have also been considered and found adequate. In view of the cumulative assessment of the **material available on record, the Committee is satisfied that the deficiencies which led to restriction of the intake to 200 seats do not constitute a ground for withholding the remaining 50 seats. Accordingly, the College is found adequately prepared and compliant for enhancement of its annual MBBS intake to 250 seats.**

12 WHEREAS, the First Appeal Committee, is **granted an additional 50 (fifty) MBBS seats, thereby enhancing the annual intake of the College from 200 to 250 MBBS seats for the Academic Year 2026-27.**

13 AND THEREFORE, in pursuance of decision of the First Appeal Committee dated 09-09-2026 (which has already been communicated to you through email by Policy & Coordination Division of NMC) Medical Assessment and Rating Board (MARB) is hereby conveying you Letter of Permission (LoP) for increase in intake of 50 (fifty) MBBS seats (from 200 to 250 seats) for the Academic Year (A.Y.) 2026-27 at "Lord Buddha Koshi Medical College & Hospital", Saharsa, Bihar subject to

MARB may take appropriate regulatory action against the institution for failure to maintain the standards prescribed by the Undergraduate Medical Education Board (UGMEB) or the Postgraduate Medical Education Board (PGMEB), as the case may be, including issuance of warning, imposition of monetary penalty, reduction of intake capacity, stoppage of admissions, or recommendation to the Commission for withdrawal of recognition, in accordance with the National Medical Commission Act, 2019, and the regulations framed thereunder.

e. The institution shall furnish all admission-related information within the timelines prescribed by the National Medical Commission from time to time. Failure to submit such information within the stipulated period shall be treated as non-compliance with the statutory requirements governing admissions and may invite appropriate action under the National Medical Commission Act, 2019.

f. The medical college shall install, maintain, and ensure the continuous functioning of the Aadhaar Enabled Biometric Attendance System (AEBAS), Closed-Circuit Television (CCTV) surveillance system, Hospital Management Information System (HMIS), and such other information technology systems as may be prescribed by the National Medical Commission from time to time. The data generated by these systems shall be made available to the National Medical Commission whenever required.

g. The institution shall rectify all deficiencies, if any, observed during future assessments within the period specified by MARB. Failure to do so may result in the refusal of renewal of permission or initiation of appropriate regulatory action, including withdrawal or revocation of this Letter of Permission, in accordance with the provisions of the National Medical Commission Act, 2019.

15. This Letter of Permission shall not be construed as a waiver of any statutory requirement or obligation under any applicable law. The institution shall obtain and maintain all approvals, licences, certificates, and permissions required under the applicable Central, State, and local laws throughout its operation.
